The following is an examiner's statement of reasons for allowance:

The prior art does not disclose to form a first insulation film on the source, channel, and drain regions and the buried oxide film, and etching the first insulation film so as to form sidewall spacers on side surfaces of the source, channel, and drain regions and then forming a second insulation film on the exposed silicon surface including the source, channel, and drain regions so as to form a gate insulation film on the channel region as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
